## A Team Update

We are happy to announce the addition of both the UConn Men's Polo team, and the UConn Interscholastic Team to our club!

Both teams bring skill and passion that will enhance our club. We look forward to hosting exciting matches and events showcasing these athletes. Join us in welcoming the UConn Men's Polo team and the UConn Interscholastic Team, and cheer them on as they pursue excellence. Let's celebrate this new chapter together!

In this newsletter you will find:

Upcoming events, new additions, merchandise launches, and more!

## New Ponies Come to UConn!

THE TEAM WELCOMES 3 NEW ADDITIONS TO OUR STRING

This past summer, we had the pleasure of welcoming Mowra, our new polo pony, into our family. Generously donated by the Boston Polo Club, she has quickly settled in at our stables. As she spends more time with our team, her sweet and gentle personality is starting to shine, making her a delightful addition.

Additionally, we embraced two more polo ponies during the fall semester. Cocktail Waitress (a.k.a Connie), and Canosa, both also from the Boston Polo Club, have swiftly captured the hearts of our players in the short time they have been with us. We are excited to work with these wonderful mares.

## Coming Up

HOLIDAY BARN - DEC 7TH 2024

Come visit us at the UConn Polo barn for some holiday cheer! We along with the other riding teams will be around for hot chocolate and pictures with the ponies!

## Ignite Fundraiser

WE RAISED 374% OF OUR \$500 GOAL!

Polo enthusiasts, it's time to celebrate! Thanks to your generous contributions, we successfully raised \$1,870. We truly appreciate your support for our team.

# Donations Needed!

UCONN POLO CLUB NEEDS YOUR HELP  
REVITALIZING OUR STRING OF HORSES

We are incredibly grateful for the three wonderful new additions to our herd. However, with the increasing interest in the sport, our current string is unable to accommodate the influx of participants in our program. As we expand and work to replace aging polo horses, the Club is actively seeking new horses to enhance our herd.

Our program is dedicated to providing exceptional horsemanship while focusing on maximizing each horse's strengths. Your contributions, which are tax-deductible, would make a significant difference to our efforts. In addition to engaging in community lessons and team practices, our polo horses are utilized five days each week. As we prepare for the polo season, we make certain that our horses are in optimal physical condition.

Please reach out to us at via [email](#) with any questions you may have about horse donations!
